

Green market is all about educating people and making them aware of the benefits of greening ones lifestyle. We really encourage small businesses selling green products. Category are ranging from organic (fresh homemade + deli) foods and drinks, organic and recycled clothes, accessories etc., recycled art, baby products, pets, energy saving, -water saving products...well any cool, funky and original eco-friendly, natural stuff! :) The market is held at the Pretoria Botanical gardens...for more info please emails us.

p.s first event will be held on the 15th of November.

If anyone is interested in selling their organic, eco-friendly and recycled art products at our market, please email me at greenmelilly@gmail.com.
