# Company Profile

Inter Africa Bureau de Change was licensed by the South African Reserve Bank to operate as an Authorised Dealer in Foreign Currency with Limited Authority (ADLA) in September 1999. Our first branch opened in that same year at the Kopfontein Border Post between South Africa and Botswana.

To serve the South African Corporate and Tourism market we moved our head office to Pretoria and opened branches nationally. We offer delivery services in the whole of Gauteng, Durban, Cape Town, Bloemfontein and Polokwane.

Our rates are highly competitive. Our management team bring decades of diverse experience and a history of success. Combining business acumen with technical savvy, these executives guide the company and its employees to create innovative and market leading products and solutions.

We pride ourselves not only in the outstanding quality of our service and products but also in our employee friendly culture and low staff turnover. We believe in uplifting the local communities and the majority of our staff is sourced from the communities and villages around our offices. Our dedicated team is one of the most important contributing factors to our current success.
